

LACONA XIII

FLORENCE
12-16 September 2022

IMPORTANT DATES

- ▶ **Deadline for abstract submissions**
April 20, 2022
- ▶ **Notification of Review Outcome**
April 29, 2022

CONFERENCE TOPICS

- ▶ **Advances in photonic techniques for:**
 - compositional diagnostics
 - investigating deterioration phenomena
 - morphological, mechanical and thermal diagnostics
- ▶ **Photonic conservation-restoration technologies & methods**
- ▶ **Integrated approaches and best practices in photonic conservation-restoration**
- ▶ **Novel photonic approaches in diagnostics and conservation-restoration of cultural heritage**

The International Steering Committee, the International Advisory Committee, and the Local Organizing Committee of LACONA XIII are pleased to invite researchers, conservators, and restorers to submit abstracts on the Topics of the Conference for oral or poster presentation. The abstract text should be written in English and must include: title, names of authors, affiliations and summary of the work (200-500 words).

Authors can submit their abstracts online by filling and sending the submission form or, alternatively, via e-mail to program@lacona13.eu using the Word template available at www.lacona13.eu

Publication:
Journal of Cultural Heritage
or Book of Proceedings
